25X1

1. (Confidential - GLC) Made arrangements for [ ] to contact Robert McManus, Senate Internal Security Subcommittee staff, in connection with a report he had submitted to the Vice President's office.

2. (Confidential - GLC) Called Congressman John J. Flynt in connection with his active duty tour in Europe this month where he will participate in war games. He was advised that we would be participating in these games and would be happy to brief him on our role if he desired. Flynt said he was somewhat aware of our function in these matters, but would like to know more. If he has sufficient time, he will contact us prior to his departure. The War Planning Staff is to inform the field of this contact.
